

Hi Mark,

I know I have said it verbally, but I wanted to write and express my total delight in the service I have received from your Enable accounting business.

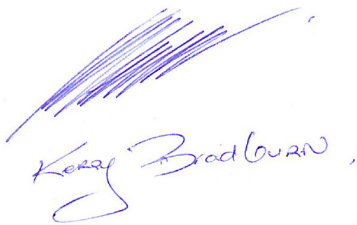

As a business owner you can feel worn down by the day to day demands placed on your time, and it has been incredible to finally get so much professional and timely attention, you have without a doubt saved me a small fortune with your advice and help.

I have already passed your card onto a couple of business owners and would love to help you while you are in the process of finding new clients.

You are more than welcome to give my contact details to any potential new clients for a quick chat.

I hope you have a nice break, look forward to seeing you in the New Year.

Best Regards,
